

CHILD-PARENT-RELATIONSHIP (C-P-R) TRAINING

Toy Checklist for Play Sessions—Session 2

Note: Obtain sturdy cardboard box with lid or plastic container with lid to store toys (copy paper box is ideal—the deep lid becomes a dollhouse). Use an old blanket to spread toys out on and to serve as a boundary for the play area.

Real-Life Toys (also promote imaginative play)

- Small baby doll: *should not be anything "special"; can be extra one that child does not play with anymore*
- Baby bottle: *real one so it can be used by the child to put a drink in during the session*
- Doctor kit (with stethoscope): *add three Band-Aids for each session (add disposable gloves/Ace bandage, if you have)*
- Toy phones: *recommend getting two in order to communicate: one cell, one regular*
- Doll family: *bendable mother, father, brother, sister, baby, and so forth (representative of your family)*
- Play money: *bills and coins; credit card is optional*
- Couple of domestic and wild animals: *if you don't have doll family, you can substitute an animal family (e.g., horse, cow family)*
- Car/truck: *one to two small ones (could make specific to child's needs, e.g., an ambulance)*
- Kitchen dishes: *couple of plastic dishes, cups, and eating utensils*

Optional

- Small dollhouse: *use lid of box the toys are stored in—draw room divisions, windows, doors, and so forth inside of lid*
- Puppets: *one aggressive, one gentle; can be homemade or purchased (animal-shaped cooking mittens, etc.)*
- Doll furniture: *for a bedroom, bathroom, and kitchen*
- Dress up: *hand mirror, bandana, scarf; small items you already have around the house*

Acting-Out Aggressive Toys (also promote imaginative play)

- Dart guns with a couple of darts and a target: *parent needs to know how to operate*
- Rubber knife: *small, bendable, army type*
- Rope: *prefer soft rope (can cut the ends off jump rope)*
- Aggressive animal: *(e.g., snake, shark, lion, dinosaurs—strongly suggest hollow shark!)*
- Small toy soldiers (12-15): *two different colors to specify two teams or good guys/bad guys*
- Inflatable bop bag (Bobo clown style preferable)
- Mask: *Lone Ranger type*
- Toy handcuffs with a key

Toys for Creative/Emotional Expression

- Play-Doh: *suggest a cookie sheet or plastic placemat to put Play-Doh on to contain mess—also serves as a flat surface for drawing*
- Crayons: *eight colors, break some and peel paper off (markers are optional for older children but messier)*
- Plain paper: *provide a few pieces of new paper for each session*
- Scissors: *not pointed, but that cut well (e.g., child Fiskars)*
- Transparent tape: *remember, child can use up all of this, so buy several of smaller size*
- Egg carton, styrofoam cup/bowl: *for destroying, breaking, or coloring*
- Ring toss game
- Soft foam ball
- Small musical instrument (preferably two)

Optional

- Selection of arts/crafts materials in a ziplock bag *(e.g., colored construction paper, glue, yarn, buttons, beads, scraps of fabrics, raw noodles, etc.—much of this depends on age of child)*
- Tinkertoys/small assortment of building blocks
- Binoculars
- Magic wand
- Two balloons (per play session)

Reminder: *Toys need not be new or expensive. Avoid selecting more toys than will fit in a box—toys should be small. In some cases, additional toys can be added based on child's need and with therapist approval. If unable to get every toy before first play session, obtain several from each category—ask therapist for help in prioritizing.*

Note: *Unwrap any new toys or take out of box before play session. Toys should look inviting.*

Good Toy Hunting Places: garage sales, friends/relatives, "dollar" stores
